Many things happened since Sept 6th, 2013, date of creation of Kiddy-Pack !

To be kept up-to-date on our activities, here are the key information you need to know!

Enjoy your reading !

Focus on... Bijapur!

On Dec. 29th, the 1st distribution of Kiddy-Packs took place. 50 kids of a small school located in Bijapur, South-West of India, received their full package.

A great help for these kids, and a 1st success for Kiddy-Pack, with the helpful support of our local partner, Pankh.
